

Card #3 - Giraffes

Cut and score your card base.

Cut three pieces of card stock $\frac{1}{4}$ smaller than the last one, making sure the white card stock is the smallest one.

Used versa mark and black embossing powder to stamp and heat image for the embossed texture.

Used a sponge and dabbed it on the ink and then over the image to desired color depth.

Used twine and wrapped it around the lower base of the card. Added a flower button with glue dots.

Used adhesive glue to put the card together.
